DECORATION OPTIONS

Deboss

Great choice for waterproof garments!
Ideal for waterproof and other technical fabrics, deboss uses a die that's heat-pressed into the material, creating a striking 3D appearance.

- Applicable at virtually any location
- Subtle tone-on-tone look
- Works equally well on all colours and black and white
- Unlimited washability
- High degree of detail available
- Only works on polyester fabrics

Embroidery

High value look!
Embroidery offers thread colours to match any logo and reduces costs with up to 10,000 stitches included in the price.

- Classic look
- Precision-engineered production capability for exceptional detail
- Popular choice for left/right chest, left/right bicep decoration

Transfer

Any Size. Same Price.
True Edge Transfer is a cutting-edge heat transfer process that provides superior clarity and precision.

- Can reproduce freestanding text as small as 8 point
- Precision alternative to "sticker" or "label" appearance
- Access to locations that can't be reached with embroidery hoop
- 4-colour process or spot colour
- Good alternative to embroidery for thin garments
- No contours required
