

STORMTECH SIZING CHART

BASED ON YOUR BODY MEASUREMENTS

MEN'S SIZING

To select the best size for you, please follow these simple steps:

- ① **Most important measurement:**
Take your Chest/Bust measurement from just under your arm at the fullest part of the chest
- ② Take your Sleeve length from the back base of the neck across the shoulder and around the elbow to your wrist
- ③ Take your Waist measurement at the narrowest point around your natural waistline.
- ④ Take your Hip measurement at the fullest part of your body below the waist

When measurements fall between two sizes:
The size selection should be based on fit preference: Select lower size for a closer to body fit or the larger size for a more relaxed fit. When in doubt, we strongly recommend ordering a size sample.
