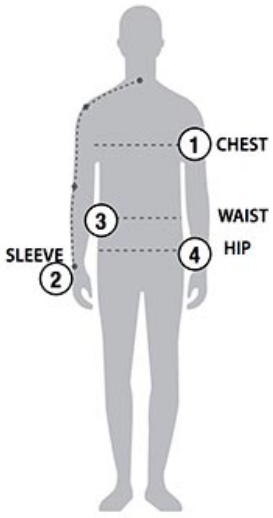
STORMTECH SIZING CHART

BASED ON YOUR BODY MEASUREMENTS

MEN'S SIZING



To select the best size for you, please follow these simple steps:

1. **Most important measurement:** Take your Chest/Bust measurement from just under your arm at the fullest part of the chest
2. Take your Sleeve length from the back base of the neck across the shoulder and around the elbow to your wrist
3. Take your Waist measurement at the narrowest point around your natural waistline.
4. Take your Hip measurement at the fullest part of your body below the waist

When measurements fall between two sizes:
The size selection should be based on fit preference: Select lower size for a closer to body fit or the larger size for a more relaxed fit. When in doubt, we strongly recommend ordering a size sample.

WOMEN'S SIZING
