

HOW DO I FIND MY GLOVE SIZE?

To find out your glove size and ensure a proper fit, measure (in inches or centimeters) your dominant hand (the hand you normally write with) with a measuring tape. Ensure that you measure around the whole hand, coming just below the knuckles of your hand.

*** NUMERIC SIZES:**

These are the same as your measurement in inches or centimeters. Round up or down to the nearest size.

STARLINE'S GLOVE SIZES

SIZE	INCH	CM
XS	6-7	15-18
S	7-8	18-20
M	8-9	20-23
L	9-10	23-26
XL	10-11	26-28
2X	11-12	28-30
3X	12-13	30-33

*Measurements may vary between styles.
