- **Inseam:** Lay garment flat and measure straight down the inside leg seam to the hem.

- If one of your body measurement is on the borderline between two sizes, order the smaller size for a tighter fit or the larger size for a looser fit.
- If your body measurements for hips and waist correspond to two different suggested sizes, order the one indicated by your hip measurement.
- Please note: The above measurements are a basic sizing guide line. There can be a tolerance in the finished product dimensions which may vary from + 1/2" to 1".
